

# CVN Network News

Below is an update on our ministry activities. We are in the process of switching to a web-based newsletter that should be available next month along with our new website

---

## Highlights

Our Lord is continuing to grow and bless the ministry of CVN. I am still amazed at how God has allowed us to have a stable group of volunteers who minister to the most needy in our region. Thank you again to each of you who give you precious time to show the love of Jesus to the poor and hurting.

### **Joiner Ranch is Exploding!**

A special thank you to the Joiner Ranch Apts. Outreach team. This once a month VBS-style kids outreach facilitated by One Life and Bayside churches ministered to 150-200 kids at their September outreach event. This site generally averages 60 kids, but the word is getting out about this monthly fun-filled event where we share God's word.

### **A Successful Crab Feed!**

See link to pictures of our August Crab Feed. We were able to raise a record amount for CVN Ministries. God is good!

### **Dixon Migrant Camp**
