

# Help Kids without Dentists!

There are many low-income kids in the Sacramento Area who have gone without a dentist's care. Perhaps they have been homeless or a part of a foster care home.

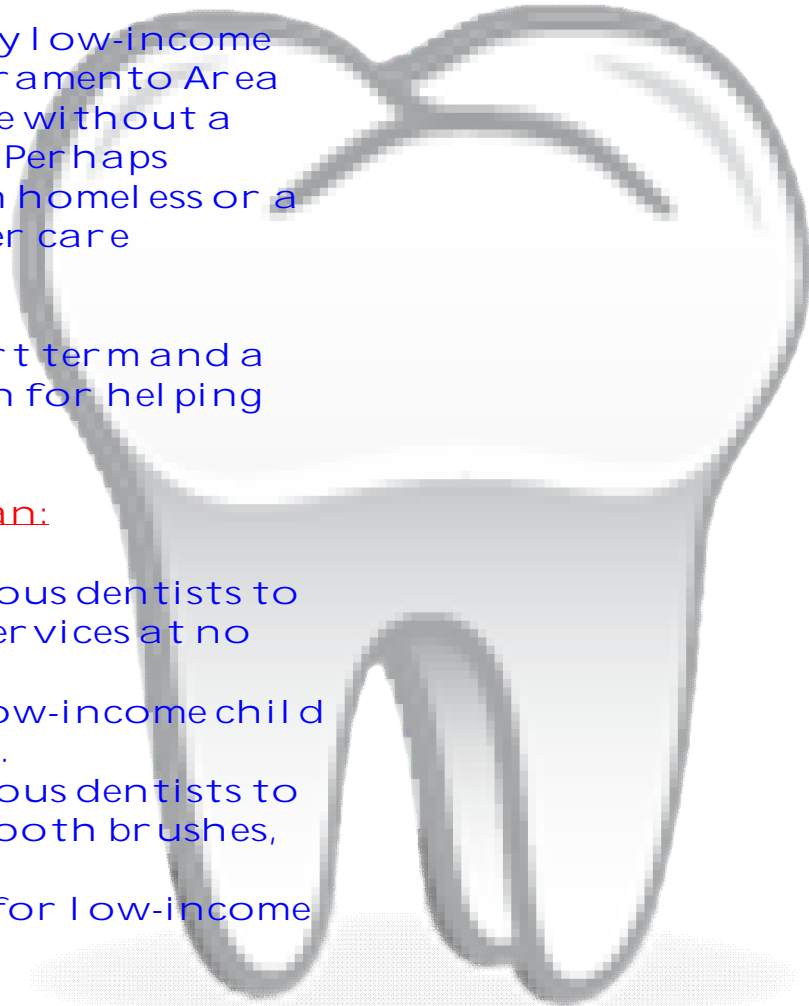

We have a short term and a long term plan for helping them...

## Short Term Plan:

- Ask generous dentists to provide services at no charge for one low-income child or family.
- Ask generous dentists to provide tooth brushes, paste, floss, etc for low-income kids.

## Long term Plan:

- Place a donated dental Clinic at Serna Village Transitional Housing for use by the 90 families at Serna plus other low-

- Income Kids in the area.
- Have many dentists volunteer their time to serve at the clinic
  - Collect donations of materials from manufacturers & others To run the clinic.

If you are a dentist and would like to know more about this new Program, please contact:
